To Whom It May Concern,

Shortly after we submitted the enclosed patent we realized we had not made a drawing for Paragraph 018. We called the Patent Office and were informed that we could not do anything until we received our submittal number. We have received that number (10\696,605) and are submitting the enclosed drawing of clarifications, along with a description that has been added to the application. This is Paragraph 009 of this application.

Thank you,

Barney J. Auman
